### NOT SURE IF YOU ARE REGISTERED TO VOTE OR IF YOUR ADDRESS IS CURRENT?

You must be properly registered to ensure you receive your mail ballot packet. **That means, if you have moved to a new residence, or changed your name or mailing address, you must update your voter registration.**

You can check your voter registration at [elections.hawaii.gov](http://elections.hawaii.gov) by logging in with your Hawaii Driver License or State ID. You may also contact the Office of Elections or your County Elections Division. **See page 4 of this guide for telephone numbers.**

Update your registration by **simply following the same directions listed under HOW TO REGISTER.**

### YOUR MAIL BALLOT PACKET INCLUDES:

- **Ballot:** Review the instructions, contests, and candidates on both sides. To vote, completely darken in the box to the left of the candidate or choice using a black or blue pen.
- **Ballot Secrecy Sleeve:** Re-fold your voted ballot and place it in the ballot secrecy sleeve. This ensures your right to secrecy as ballots are prepared for counting. Part of the ballot should stick out of the sleeve, but your votes are concealed.
- **Return Envelope:** Read the affirmation statement and sign the return envelope before returning it to your County Elections Division. You must sign the return envelope for your ballot to be counted.

After your County Elections Division validates the signature, your ballot will be counted.
